

Spring Forest Health Update Virtual Meeting 2021

Thursday, April 8, 2021
10:00 am to 12:15 pm CST via Zoom

Interested participants [MUST REGISTER HERE!](#)
Admission is FREE

Join Dr. Fredric Miller (Illinois Forest Health Program, Joliet Jr. College), Erin McMahan (Illinois Forest Health Program), and Tricia Bethke (The Morton Arboretum) for a two-hour virtual update on forest health issues in the state of Illinois and beyond. Topics will include:

- Spotted Lanternfly and ALB
- Stress Related Cankers and Borers
- Updates on herbicide damage for 2020
- PlayCleanGo Invasive Plant Management Project
- Updates on surveys of SOD and Laurel Wilt

We look
forward to
seeing you
online!

Everyone is Welcome!

IDNR District foresters, foresters, arborists, urban foresters, private landowners, allied forest health contacts, and any others who are interested!

Any questions?

Please email Fredric Miller at fmiller@jjc.edu or Tricia Bethke at tbethke@mortonarb.org

After registering online, you will receive a confirmation email containing information about joining the meeting. The agenda will be emailed prior to the meeting on April 8th.

(CEUs will be available for participants.)
