

# JOIN THE FIGHT AGAINST NON-NATIVE INVASIVE SPECIES!

**Invasive species are in our forests, lakes, and even your backyard. They outcompete native flora, threaten our wildlife, and damage whole ecosystems. But you can help control their spread!**

**APRIL 3rd  
9am to 11am  
RSVP to join  
us on Zoom!**

**Join us for a FREE virtual training and herbicide giveaway. We cover:**

- Invasive Plant Identification
- Management Techniques
- Ways we can help you!

**You can make a big impact on your land. We want to help you get started!**

**Email [volunteerfrst@gmail.com](mailto:volunteerfrst@gmail.com) to RSVP!**
